

CV Claudio Zamarion

Claudio Zamarion ,from a very young age, began working in Italy with the author of photography DOP Luca Bigazzi.

In 1993, he started working International sets working with directors like: Renny Harlin, Rob Cohen, Bernardo Bertolucci, Martin Scorsese, Giuseppe Tornatore, Dario Argento, Antony Minghella, William Bindley, M. James Arnett .

This activity led him to collaborate with the authors of photography such as: Ronnie Taylor (Oscar for Gandhi), John Seale (Oscar for The English Patient), Roger Deakins (famous for his long collaboration with the Coen brothers, Oscar nomination for twelve times), Darius Khondji (nomination Oscar), David Eggby, Oliver Wood, Lajos Koltai (nomination Oscar).

At the mere age of 26 he began his profession as a director of photography working with many directors such as Antony Lamolinara (Oscar winner for Spiderman-2).

In the same year he gained experience in Italian comedy. He grows professionally through a collaboration with photography director Michel Comte with which he undergoes through many signature projects, leading him to develop a perception and artistic sensibility that can produce images that directly arouse emotions.

Parallel to his activity as director of photography, in 2006 he devotes himself to the production of "debuts" and services for international productions aiding with his professional experience.

Working Experience in the following countries

Canada, USA, Bulgaria, Hungary, France, UK, Germany, Malta, Maroc, Tunisia, Ucraina, Russia, South Africa Greece, Spain, Polinesia, Czech Republic, Switzerland, Argentina, Carabian Islands
